## Track Project Running Total

Keeping track of how much money you have spent on your project is important. You can now easily view a categorized list so that you know exactly where each expense came from.

## Updated Calendar

Detailed calendar that tracks current project status, upcoming events, and important dates. Keeping yourself informed of the construction schedule has never been so easy!

## Share Your Photo Album

One of the most enjoyable parts of your remodel project is sharing the progress with your friends and family. A customized photo album shows the progress of your project!

## Easy Change Order Approval

No more driving to the builder's office, or finding a fax machine to approve that time critical change order request. With 24/7 web-based access, you can approve your change orders from anywhere.
